COUNCIL TO APPROVE PAVING BIDS: President Brumagin said the purpose of the meeting is to publicly open and approve bids on paving.

Councillor Tubbs said before bids are opened, he would like the Street Supervisor to provide Council with information on a new dump truck that he has been wanting to purchase. He said he feels Borough Council needs to know the price before Council can decide on whether to approve any paving of streets this evening.

Street Supervisor Paul Maynard said he has checked around and he would want to purchase the chassis from Five Star International at a cost of \$71,160.00.

He said he has also checked around with vendors on the dump body, plow and salt spreader and he would like to purchase these items from Walsh Equipment at a cost of \$49,137.00.

He said the total cost of the truck is \$120,297.00.

He said that Five Star International and Walsh Equipment are both under the State Contract so the Borough will not have to go out for bid.
