Dear Business Owner:

It has been over five years since the Union City Community web site was up and running. Our goal was to have all businesses with a Union City address or phone number listed on the site. This offer is free to all local businesses and the listing will show the **business name, address and phone number only**.

The web site currently receives over 10,000 visitors a month and is still growing. The web site also offers a community calendar, listings for non-profit services, local groups, churches and attractions.

Union City Pride, Inc. with support from the Borough of Union City is continuing to provide one central location for all community information. If you wish to expand your listing to have more information, for only \$60 a year you will be provided space for one picture and a brief paragraph to be listed next to the photo. (approx. 80 words)
